## Workshop Agenda

1. Introductions, orientation, and process overview 2. Participants report their individual evaluations and assign numerical scores for each alternative and each objective:  • Public health and safety • Worker health and safety 9:30AM  Break 10:15AM  • Environment • Community well-being 11:15AM  Working Lunch 12:00 Noon  • Security • Economic viability • Adaptability of the approach • Fairness 2:30PM  3. Assignment of group scores and uncertainty range Break 3:15PM  4. Assignment of weights 5. Computation of aggregate results 6. Discussion and conclusions	<u>Task</u>	<u>Time</u>
